PLEASE ENCLOSE THE FOLLOWING DOCUMENTS

► Certified Educational Certificates

If original certificates are not in German or English, please also attach an official English translation

► Certified Transcript of Records (comparative grades achieved), and an explanation of the applied grading scheme

► Proof of competence in the English language (IELTS, TOEFL or CAE) or proof of exemption*

► Resume (Curriculum Vitae)

► Personal statement (letter of motivation)

This document needs to be written in English which shows:

1. Why the applicant is interested in the field of study „Biomedical Engineering“ and how the studies can be implemented into the future career.
2. Which prerequisites the student can contribute in his opinion.

► Two letters of recommendation

In case the requisite evidence according to the points „Proof of competence in the English language“ as well as the „Two letters of recommendation“ are not available during the application process, they can be turned in one month after the closing date upon request. The request needs to be made in written form together with the application.

With my signature, I confirm that the information given above is correct and complete. An application with missing document(s) is regarded as invalid and will not be processed.

I know that incorrect information may result in refusal or revocation of the enrolment. I understand that my documents will not be sent back.

_____ (Date and Signature of Applicant)

Legal Basis for data handling

Individual data shall be collected, stored and processed in performance of the lawful functions of the university (including its faculties, central bodies, institutes and secretariats) pursuant to paragraphs 2, 32 to 38, and 58 to 62 of the University Act of the Land of Baden-Württemberg (Landeshochschulgesetz, hereinafter LHG) of 1 January 2005 (GBl. Nr. 1, S. 1 ff) and pursuant to the Data Protection Act of the Land of Baden-Württemberg (Landesdatenschutzgesetz, hereinafter LDSG). The regulation issued by the Ministry of Science pursuant to paragraph 12 of the LHG on the collection and processing of personal data of 1 January 2005 (GBl. Nr. 1, S. 1 ff) permits such data to be transmitted to third parties, in particular to other universities, statutory health insurance agencies, child benefit funds of government employment offices, agencies for the promotion of education and vocational training, social security insurance authorities, war pensions administration offices, public relief associations and the salary office of public employers, if the requirements in paragraphs 13 to 16 of the LDSG have been satisfied.
