

CAREER COACHING FOR POSTDOCS

ABOUT CAREER COACHING?

Career coaching is a confidential and individual dialogue in which you will work through questions about your personal career development. You will be guided professionally to find your own answers, options and paths.

Objectives of the programme

You will gain clarity about your personal professional orientation, your own resources and possible next steps in career planning.

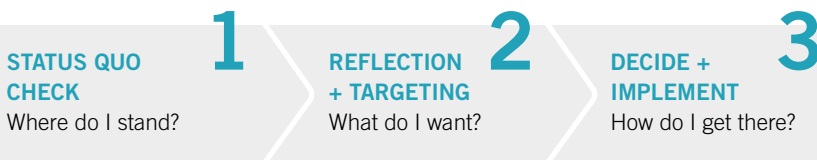

Target Group

This offer is particularly designed for postdocs who graduated at least two years to a maximum of four years ago and who are currently employed at Heidelberg University.

Process and Duration

The career coaching process usually entails three appointments of 90 minutes each and includes three phases. The exact procedure will be agreed upon during the initial meeting.

Registration and further information
